Our Daily Routine

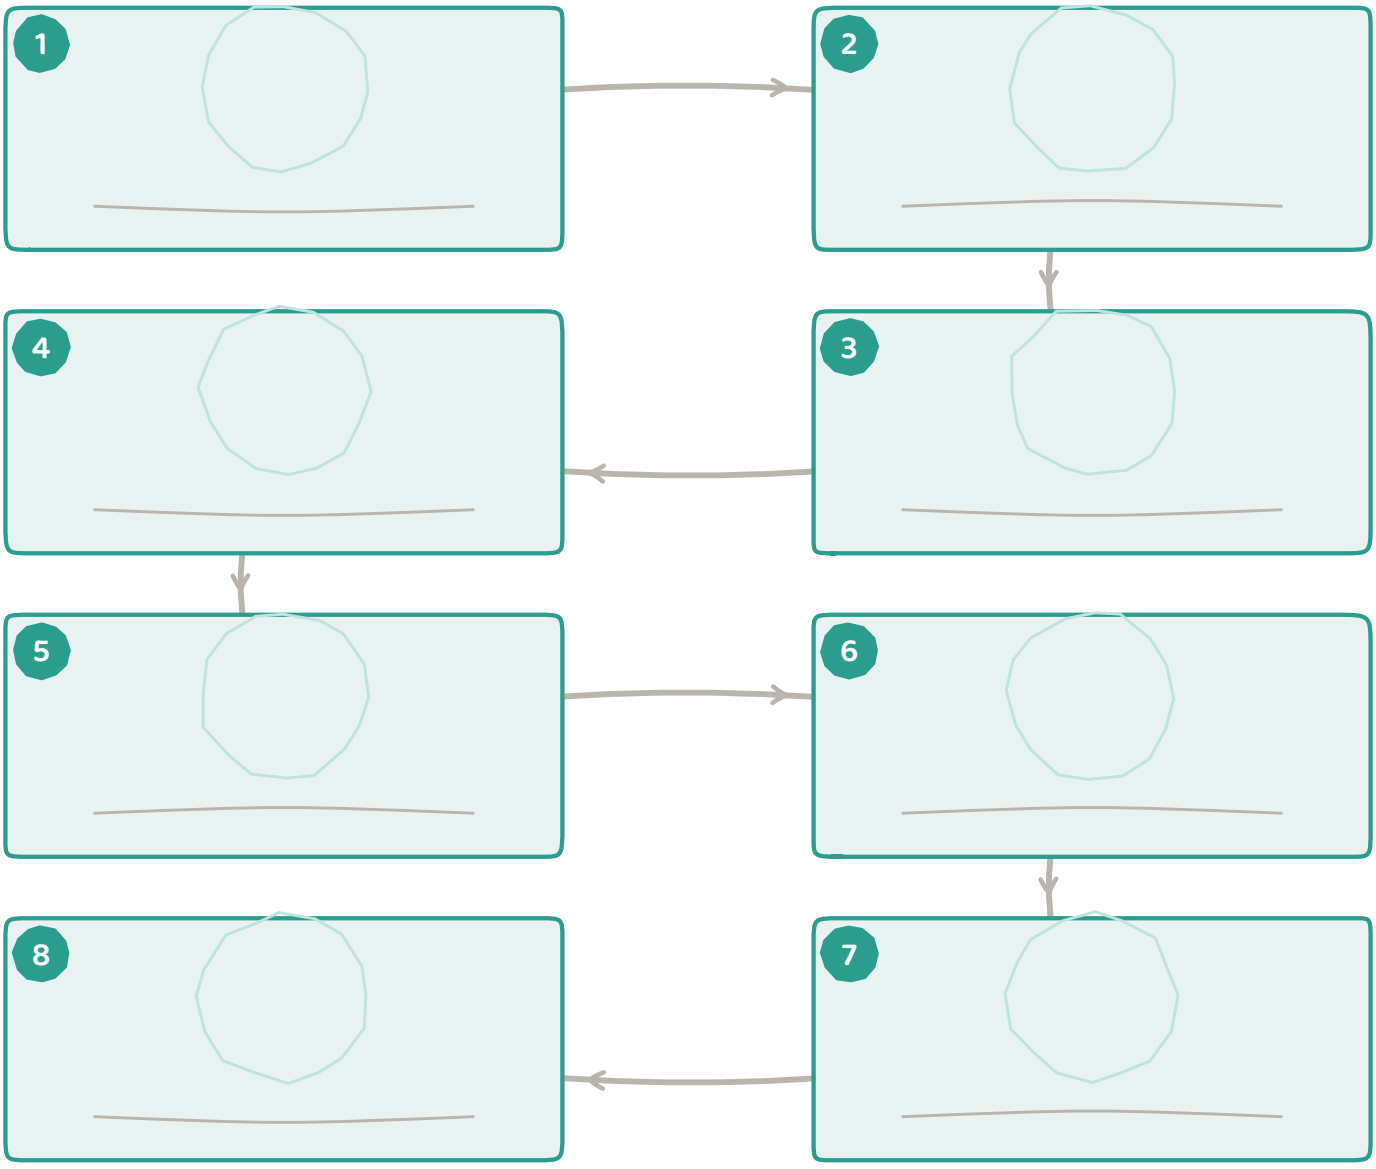

Build-Your-Own Daily Routine

Same 8-card layout — write in whatever your family's actual day looks like.

This routine belongs to: _____

Fill in the 8 steps that actually happen at your house, in whatever order works for your family.

The exact clock time can shift day to day — it's the order that helps your child know what's next.

Have a great day!

Same order every day — the clock time can flex, that's what makes a routine work.

A rough day is okay. Rebuild the order tomorrow — you don't have to restart from scratch.
