Build-Your-Own Math Play

Same 6-card layout — write in your own go-to math moments and the skill each builds.

This belongs to: _____

Fill in six go-to math moments, and write in the skill each one builds — counting, numbers, patterns, measuring, or shapes.

A menu to rotate through, not a checklist — any card, any order, any day.

Little counters, big ideas.

None of this needs to be "math time" — it fits into setting the table, walking, and folding laundry.

The skill-building comes from everyday moments, not from flashcards.
