Sucking-Free Star Path

First Wins Path

A gentle start — 8 stones to celebrate along the way.

This path belongs to: _____ Started: ____ / ____

Every time your child goes a stretch without thumb-sucking or the pacifier,
let them color in or add a sticker to the next stone — in order, at their own pace.

Celebrate every try — there's nothing to shame or force here.

Pause anytime. There's no schedule to keep — just pick up where you left off.
